Store Front - Main Street Cupcakes

Our store front business this month is:

Main Street Cupcakes

Main Street Cupcakes was opened in February 2007, by lifelong Clevelanders Sean Nock and Kimberly Martin. Nock's knack for learning recipes and Martin's total foodie lifestyle make for a very sweet combination in the kitchen. This husband and wife team has a cumulative 50 years in the hospitality business and a serious sweet tooth for decadent cake. Visit this boutique style destination bakery in Hudson for "only enough for me" oh-so-sweet cupcakes and you will be crazy about them too!
